- Freelancers and content creators
- Corporate teams looking for professional development

No matter your level of experience, we offer programs designed to help you grow from where you are.

+ Are classes online? Yes. Betaminds Africa Academy offers flexible learning options to suit different schedules and locations. Depending on the program, classes may be:

- Online (live instructor-led sessions)
- Self-paced online learning
- Physical classroom sessions
- Hybrid learning (a combination of online and in-person classes)

This flexibility allows participants from across Nigeria and Africa to learn conveniently.

+ How much is tuition? Tuition fees vary depending on the course, duration, and learning format. We strive to keep our programs affordable while delivering high-quality, industry-relevant training.

Please visit the course page for your selected program or contact our admissions team for the latest tuition fees, available payment plans, scholarships, and promotional offers.

+ Do you provide certificates? Yes. Participants who successfully complete their course requirements, including attendance, assignments, and practical projects where applicable, receive a **Betaminds Africa Academy Certificate of Completion**.

Selected programs may also include opportunities to earn industry-recognized certifications through our strategic partners.

+ Do you offer internships? Yes. One of our key objectives is to bridge the gap between learning and employment. Eligible students may have access to:

- Internship opportunities
- Industry mentorship
- Portfolio development
- Freelance project opportunities
- Career coaching
- Networking events
- Job placement support through our employer and partner network

While internship placement depends on program requirements, student performance, and partner availability, we are committed to helping our learners gain practical experience and improve their career prospects.

COMING SOON - TEACHING RURAL AND LESS PRIVILEGED SCHEME

Unlocking Rural Potential and that of less privilege

An initiative designed to empower aspiring individuals in rural areas, empowering less privileged individuals, particularly those in orphanages and motherless baby homes. to pursue careers in media and digital marketing. We provide a comprehensive program that:

- Introduces them to creative industry career paths
- Offers free training and mentorship
- Equips them with the necessary tools and resources

Our goal is to unlock their innate potential, nurture their talents, and enable them to achieve greatness in the creative industry, ultimately becoming gainfully self-employed and fulfilled professionals.

This initiative will create a ripple effect, empowering a new generation of leaders to pay it forward and inspire positive transformation in other young individuals in rural areas, perpetuating a cycle of growth, development, and community upliftment.

The movement aims to nurture future leaders, equipping them to transform their lives and positively impact others from similar backgrounds. Within the next decade, envisions building a community of over 1,000 independent digital experts across various specializations, who are fully employed and self-sufficient.

Betaminds Africa Creative Empowerment Summit

BETAMINDS AFRICA CREATIVE EMPOWERMENT SUMMIT

The **Betaminds Africa Creative Empowerment Summit** is a premier platform dedicated to empowering Africa's next generation of creatives, innovators, entrepreneurs, and young professionals. More than an annual event, the summit is a movement committed to transforming creative talent into sustainable careers, thriving businesses, lasting impact and contributing hugely to Social Corporate Responsibility in education, innovation, and creativity.

Every year, we bring together industry leaders, successful entrepreneurs, creative professionals, policymakers, investors, and aspiring talents for an immersive experience of learning, inspiration, networking, and collaboration. Through keynote sessions, panel discussions, masterclasses, workshops, mentorship, and career opportunities, participants gain practical knowledge, valuable industry insights, and meaningful connections that accelerate personal and professional growth.

Mission: To bridge the gap between talent and opportunity by equipping participants with the skills, mindset, and networks needed to thrive in today's fast-evolving creative and digital economy. We believe that Africa's greatest resource is its people, and by investing in creativity, innovation, and entrepreneurship, we are helping shape a future where young Africans create jobs, build globally competitive businesses, and drive sustainable economic development.

Betaminds Africa Digital Ecosystem

Digital Commerce & Marketplace Solutions

Build. Scale. Sell. Grow.

The digital marketplace has transformed how businesses connect with customers. Today, growth is driven by visibility, strategy, technology, and customer experience.

At Betaminds Africa, we help businesses build, launch, market, and grow their online presence through a comprehensive Digital Commerce & Marketplace Solution designed to increase visibility, attract customers, and drive business growth.

Rather than offering standalone digital services, we provide an integrated approach that positions your business to compete effectively in today's digital economy.

Our Digital Commerce Solution

Our Digital Commerce Solution combines the essential components required to build and grow a successful online business over time.

The solution includes:

- Digital Branding & Rebranding (where necessary) or we should replace with- Brand Identity Development & Refresh
- Brand Strategy & Planning
- Content Creation & Commercial Production
- Digital Marketing
 - Website Design
 - Website Management
 - Search Engine Optimization (SEO)
 - Payment Integration and more solutions.
- Social Media Management
- Sponsored Ad Placement
- Customer Experience Management
- Performance Analytics

Every solution is strategically planned and professionally executed to strengthen your digital presence and support measurable business growth.

Engagement Plans

Starter Partnership

Designed for businesses looking to establish, reposition, or accelerate their digital presence through a focused commerce strategy and execution plan.

Growth Partnership

Ideal for businesses seeking sustained digital growth, stronger market positioning, and continuous optimization across their digital ecosystem.

BEFORE YOU BOOK

Tell us about your brand

A few quick questions help us prepare a Digital Commerce Strategy that's actually relevant to your business before we sit down on the call.

1. Fill in the questionnaire in 3 minutes.
2. You'll get a link to pick a time on our calendar.
3. We review your answers before your session.
4. We meet, discuss, and recommend a plan.

1. Contact & Brand

- Email *
- Brand Name *
- Phone *
- Website / Social Media *

2. Where is your brand based? *

- Address Line 1
- City
- State / Province / Region
- Country

3. About your business

- What does your brand sell — products, services, or both?
- What industry/category are you in?
- How long have you been in business? *
- Do you currently sell online, offline, or both?
- Do you sell locally, nationally, or across borders?

4. Current digital presence

- Do you currently sell through any marketplaces (Jumia, Instagram Shop, WhatsApp Business, etc.)?
- Do you currently run paid ads anywhere?
- Do you have existing brand assets (logo, guidelines, product photos)?

5. Team & decision-making

- What is your team's structure? *
- Do you have an internal team we'd be working alongside, or fully outsourcing this?
- Who else is involved in this decision (just you, or a team/co-founder)?
- Are you the sole decision-maker for budget approval?

6. Why now? *

- What's prompting you to reach out now — is there a specific trigger (launch, rebrand, stalled sales)?

7. Engagement details

- What partnership plan are you interested in? *

- Starter Partnership
 - Growth Partnership
 - Strategic Partnership
 - Not sure yet. Recommend one.
- Ideal services start date? *
- What is your budget? \$ *
